For more information on updates to NMLS Modernization and how to get involved, visit the NMLS Modernization page on the CSBS website.

Since the NMLS Annual Conference & Training in February, there's been a lot of excitement around "NMLS Modernization." Today, CSBS launched several new features and changes in NMLS as a part of this modernization effort.

I sit down with **Dave Dwyer, Senior Vice President of Business Services** at CSBS, to learn about the changes available to NMLS users today and what's to come as NMLS Modernization continues.
