## SECTION C

**Essay Assignment:** In approximately 500 words, discuss the following:

Discuss the intersection of community banks and neobanks (i.e., SoFi, PayPal, etc.). How should examinations of community banks evolve as an increasing number of community banks partner with fintech companies? Consider the safety and soundness, consumer protection, and cybersecurity examination perspectives.

Your response should reflect your own views and ideas but must include quotes from interviews with at least one supervisor or co-worker, and at least one executive from a financial institution or financial services company regulated by your state agency.

**Do not list names or agencies/institutions of those interviewed, only titles!**
