(2) Is not employed by and does not have any managerial duties of the licensee or person in control of a licensee;

(3) Does not have the power to exercise directly or indirectly a controlling influence over the management or policies of a licensee or person in control of a licensee; and

“Tangible net worth” shall mean the aggregate assets of a licensee excluding all intangible assets, less liabilities, as determined in accordance with United States generally accepted accounting principles.

(b) Any person who was previously licensed as a check seller under this chapter who
holds a valid license on the effective date of this article shall be issued a provisional license under this article without the need of an additional application and fee. This provisional license shall expire upon six months of its issuance, during which time the licensee may continue to conduct its check selling business, provided that it maintains the net worth and security required under its previous license. The commissioner may require the licensee to obtain expanded bond coverage consistent with this article for the protection of purchasers of money transmission services and currency exchange services, as well as for covered currency transportation services, when the licensee conducts one or more of these businesses. At the expiration of a provisional license granted by this section, any person who wishes to continue to engage in any business regulated in this article shall apply for a license and meet the criteria under the provisions of this article. Persons seeking to claim this exemption shall notify the commissioner of their intent to do so and demonstrate that they qualify for its use. Persons seeking an exemption under this subdivision are not exempt from the provisions of this article if they also engage in currency exchange or currency transmission;

(7) Persons engaged in the business of currency transportation whose activities are limited exclusively to providing services to federally insured depository institutions, or to any federal, state, or local governmental entities;

No such authorized delegate is required to obtain a separate license under this article, but the use of sub-delegates is prohibited and the authorized delegate may only conduct business on behalf of its licensee.

(c) The issuance and sale of closed loop stored value cards or similar prepaid products which are intended to purchase items only from the issuer or seller of the closed loop stored value card is exempt from the provisions of this article.

(d) Any person who is required and properly obtains a license under this article to transport currency is exempt from the requirements of §30-18-1 et seq. of this code.

§32A-2-4. License application, issuance and renewal.

(a) An applicant for a license shall submit an application to the commissioner on a form prescribed by the commissioner. The commissioner may direct an applicant to file a license application through the Nationwide Mortgage Multistate Licensing System and Registry operated by the State Regulatory Registry, LLC.

(b) Each application shall be accompanied by a nonrefundable application fee and a license fee. If the application is approved, the application fee is the license fee for the first year of licensure.

(c) The commissioner shall issue a license if the commissioner finds that the applicant meets the requirements of this article and the rules adopted under this article. The commissioner
shall approve or deny every application for an original license within 120 days from the date a complete application is submitted, unless the commissioner extends the period for good cause. All licenses issued under this article expire on December 31 of the year issued, unless sooner suspended or revoked, and are subject to renewal for the following year.

(d) The licensee at each office it owns and operates in West Virginia shall prominently display, or maintain available for inspection, a copy of the license authorizing the conduct of a currency exchange business if the location offers and provides such services. Where the currency exchange business is conducted through a licensee's authorized delegates in this state, each authorized delegate location offering such services shall maintain available for inspection proof of their appointment by the licensee to conduct such business.

(e) As a condition for renewal of a license, the licensee must submit to the commissioner an application for renewal on a form prescribed by the commissioner and an annual license renewal fee. The commissioner may direct an applicant to file a license renewal application through the Nationwide Mortgage Multistate Licensing System and Registry operated by the State Regulatory Registry, LLC.

(f) A license issued under this article may not be transferred or assigned.

(g) An applicant for a license who is not located in this state shall file an irrevocable consent, duly acknowledged, that suits and actions may be commenced against the applicant in the courts of this state by service of process upon a person located within the state designated to accept service, or by service upon the Secretary of State, as well as by service as set forth in this chapter.

(h) The commissioner is authorized to participate in the multistate supervisory process, including any multistate investigatory, examination, and licensing process, established between states and coordinated through the Conference of State Bank Supervisors, Money Transmitter Regulators Association, and affiliates and successors thereof, for all licensees that hold licenses in this state and other states.
§32A-2-8. Qualifications for license or renewal of license.

(a) The commissioner may issue a license to an applicant only upon first determining that the financial condition, business experience, and character and general fitness of an applicant are such that the issuance of the license is in the public interest: Provided, That the commissioner shall apply §32A-2-8(f) and §32A-2-8(g) of this code in determining whether an applicant's prior criminal convictions bear a rational nexus to the license being sought.

(b) An applicant for a license shall agree in writing to comply with the currency reporting and record-keeping requirements of 31 U.S.C. §5313, as well as those set forth in 31 C.F.R. Chapter X and any other relevant federal law.

(A) Has been convicted of a felony or a crime involving fraud or deceit under the laws of this state, any other state, or the United States;

(B) Has been convicted of a crime under the laws of another country that involves fraud or deceit or would be a felony if committed in the United States; or

(2) The person, a principal of the person, or the spouse of the person or a principal of the person has been convicted of an offense under a state or federal law relating to drug trafficking, money laundering, or a reporting requirement of the Bank Secrecy Act, 12 U.S.C. §1951 et seq., as amended.

(d) The commissioner will review the application to determine whether the applicant:

(1) Has recklessly failed to file or evaded the obligation to file a currency transaction report as required by 31 U.S.C. §5313 during the previous three years;

(2) Has recklessly accepted currency for exchange, transport, or transmission during the
previous three years in which a portion of the currency was derived from an illegal transaction or
activity;
(3) Will conduct its authorized business within the bounds of state and federal law,
including, but not limited to, §31D-15-1501 of this code;
(4) Warrants the trust of the community;
(5) Has and will maintain a minimum tangible net worth of $50,000 the greater of $100,000
or three percent of total assets for the first $100 million, two percent of additional assets for $100
million to $1 billion, and 0.5 percent of additional assets over $1 billion computed according to
generally accepted accounting principles as shown by the most recent audited financial statement
filed with and satisfactory to the commissioner, and in addition has and will maintain a minimum
tangible net worth of $25,000, computed according to generally accepted accounting principles
for each office or delegate location other than its principal office at which its
licensed business is
transacted, except that an applicant for a license or renewal of a license may not be required by
this article to maintain a tangible net worth of more than $1 million, computed according to
generally accepted accounting principles; and
(6) Does not owe delinquent taxes, fines, or fees to any local or state taxing authority or
governmental agency, department, or other political subdivision of this state.
(e) A person is not eligible for a license, and a person who holds a license shall surrender
the license to the commissioner, if the person or a principal of the person has at any time been
convicted of:
(1) A felony involving the laundering of money that is the product of or proceeds from
criminal activity under chapter 61 of this code, or a similar provision of the laws of another state
or the United States; or
(2) A felony violation of 31 U.S.C. §5313 or 5324, or a rule adopted under those sections.
(f) The commissioner may not disqualify an applicant from initial licensure because of a
prior criminal conviction that remains unreversed unless that conviction is for a crime that bears
a rational nexus to the activity requiring licensure. In determining whether a criminal conviction bears a rational nexus to a profession or occupation, the commissioner shall consider at a minimum:

(1) The nature and seriousness of the crime for which the individual was convicted;
(2) The passage of time since the commission of the crime;
(3) The relationship of the crime to the ability, capacity, and fitness required to perform the duties and discharge the responsibilities of the profession or occupation; and
(4) Any evidence of rehabilitation or treatment undertaken by the individual.

(g) Notwithstanding any other provision of this code to the contrary, if an applicant is disqualified from licensure because of a prior criminal conviction, the commissioner shall permit the applicant to apply for initial licensure if:

(1) A period of five years has elapsed from the date of conviction or the date of release from incarceration, whichever is later;
(2) The individual has not been convicted of any other crime during the period of time following the disqualifying offense; and
(3) The conviction was not for an offense of a violent or sexual nature: Provided, That a conviction for an offense of a violent or sexual nature may subject an individual to a longer period of disqualification from licensure, to be determined by the commissioner.

(h) An individual with a criminal record who has not previously applied for licensure may petition the commissioner at any time for a determination of whether the individual’s criminal record will disqualify the individual from obtaining a license. This petition shall include sufficient details about the individual’s criminal record to enable the commissioner to identify the jurisdiction where the conviction occurred, the date of the conviction, and the specific nature of the conviction. The commissioner shall provide the determination within 60 days of receiving the petition from the applicant. The commissioner may charge a fee to recoup its costs for each petition.

(i) Before approving an application for a license of an applicant who has less than one
year's experience in the proposed business governed by this article as a regulated entity in another state, or whose license has been suspended or revoked by another state, the commissioner may, in his or her discretion, conduct an on-site investigation of an applicant at the sole expense of the applicant and may require the applicant to pay a nonrefundable payment of the anticipated expenses for conducting the investigation. Failure to make the payment or cooperate with the investigation is grounds for denying the application.

§32A-2-8a. Information Requirements for Certain Individuals and Change in Control.

(a) Any individual in control of a licensee or applicant, any individual that seeks to acquire control of a licensee, and each key individual shall furnish to the commissioner the following items:

(1) The individual's fingerprints for submission to the Federal Bureau of Investigation and the commissioner for purposes of a national criminal history background check unless the person currently resides outside of the United States and has resided outside of the United States for the last ten years;

(c) Any person, or group of persons acting in concert, seeking to acquire control of a licensee shall obtain the written approval of the commissioner prior to acquiring control. An individual is not deemed to acquire control of a licensee and is not subject to these acquisition of control provisions when that individual becomes a key individual in the ordinary course of business.

(d) A person, or group of persons acting in concert, seeking to acquire control of a licensee shall, in cooperation with the licensee submit an application in a form and in a medium prescribed by the commissioner.

(e) Upon request, the commissioner may permit a licensee or the person, or group of persons acting in concert, to submit some or all information required by the commissioner without

15
(f) The application required by this section shall include information required for any new key individuals that have not previously completed the requirements for a licensee.

(g) When an application for acquisition of control under this section appears to include all the items and address all of the matters that are required, the application shall be considered complete and:

(1) The commissioner shall approve or deny the application within 90 days after the completion date; or

(2) If the application is not approved or denied within 90 days after the completion date, the application is approved; and the person, or group of persons acting in concert, are not prohibited from acquiring control.

(3) The commissioner may for good cause extend the application period.

(h) A determination by the commissioner that an application is complete and is accepted for processing means only that the application, on its face, appears to include all of the items and address all of the matters that are required, and is not an assessment of the substance of the application or of the sufficiency of the information provided.

(i) When an application is filed and considered complete, the commissioner shall investigate the financial condition and responsibility, financial and business experience, character, and general fitness of the person, or group of persons acting in concert, seeking to acquire control. The commissioner shall approve an acquisition of control pursuant to this section if the commissioner finds that all of the conditions for the change in control have been fulfilled:

(1) The requirements of subsections (d) and (f) have been met, as applicable; and

(2) The financial condition and responsibility, financial and business experience, competence, character, and general fitness of the person, or group of persons acting in concert, seeking to acquire control; and the competence, experience, character, and general fitness of the key individuals and persons that would be in control of the licensee after the acquisition of control
indicate that it is in the interest of the public to permit the person, or group of persons acting in
concert, to control the licensee.

(i) If an applicant avails itself or is otherwise subject to a multistate licensing process:

(1) The commissioner is authorized to accept the investigation results of a lead
investigative state if the lead investigative state has sufficient staffing, expertise, and minimum
standards; or

(2) If the division is a lead investigative state, the commissioner is authorized to investigate
the applicant and the timeframes established by agreement through the multistate licensing
process.

(k) The commissioner shall issue a formal written notice of the denial of an application to
acquire control within 30 days of the decision to deny the application. The commissioner shall set
forth in the notice of denial the specific reasons for the denial of the application. An applicant
whose application is denied under this section may appeal pursuant to the provisions in this
article.

(l) The requirements of this section do not apply to any of the following:

(1) A person that acts as a proxy for the sole purpose of voting at a designated meeting
of the shareholders or holders of voting shares or voting interests of a licensee or a person in
control of a licensee;

(2) A person that acquires control of a licensee by devise or descent;

(3) A person that acquires control of a licensee as a personal representative, custodian,
guardian, conservator, or trustee, or as an officer appointed by a court of competent jurisdiction

(5) A person that the commissioner determines is not subject to this section based on the
public interest;

(6) A public offering of securities of a licensee or a person in control of a licensee; or

(n) Streamlined Acquisition of Control. The requirements of subsections (c) and (d) of this section do not apply to a person that has complied with and received approval to engage in money transmission under this article or was identified as a person in control in a prior application filed with and approved by the commissioner or by an MSB accredited state pursuant to a multistate licensing process: Provided, That:

(1) The person has not had a license revoked or suspended, or controlled a licensee that has had a license revoked or suspended while the person was in control of the licensee in the previous five years;

(2) If the person is a licensee, the person is well managed and has received at least a satisfactory rating for compliance at its most recent examination by an MSB accredited state if such rating was given;

(4) The licensee to be acquired will not implement any material changes to its business plan as a result of the acquisition of control, and if the person acquiring control is a licensee, that licensee also will not implement any material changes to its business plan as a result of the acquisition of control; and

(5) The person provides notice of the acquisition in cooperation with the licensee and attests to the requirements in this subsection in a form and in a medium prescribed by the commissioner.
If the notice is not disapproved within 30 days after the date on which the notice was determined to be complete, the notice is deemed approved.

(o) Before filing an application for approval to acquire control of a licensee, a person may request in writing a determination from the commissioner as to whether the person would be considered a person in control of a licensee upon consummation of a proposed transaction. If the commissioner determines that the person would not be a person in control of a licensee, the proposed person and transaction is not subject to the requirements of this section.

(a) A licensee shall maintain at all times permissible investments that have a market value computed in accordance with generally accepted accounting principles of not less than the aggregate amount of all of its outstanding money transmission obligations.

(b) Except for permissible investments, which are set forth by the commissioner and published annually on the agency website, the commissioner, with respect to any licensee, may limit the extent to which a specific investment maintained by a licensee within a class of permissible investments may be considered a permissible investment, if the specific investment represents undue risk to customers, not reflected in the market value of the investments.

(a) A person who is licensed under this article shall post a bond with a qualified surety company doing business in this state that is acceptable to the commissioner. The bond shall be in the amount of $100,000 for a licensee which issues or sells checks or money orders, or which engages in currency exchange; or $300,000 for a licensee which engages in receiving money for transmission by wire, facsimile or electronic transfer, or which engages in currency transportation. A licensee which engages in multiple types of these activities shall post the higher amount. A merchant obtaining a license solely to engage in the check cashing business not incidental to the main business of the merchant as required by article three of this chapter shall post a bond of $100,000. The bond required by this subsection shall be increased at the time of license renewal
by one percent of the annual volume of business the licensee conducts in this state exceeding $10 million rounded to the nearest thousand, as reported by the licensee: Provided, That in no event shall the bond exceed $1 million.

is insecure, deficient in amount, or exhausted, in whole or in part, he or she may in writing require
the filing of a new or supplemental bond in order to secure compliance with this article and may
demand compliance with the requirement within 30 days following service on the licensee. The
total amount of the bonds required of the licensee may not, however, exceed the $1 million set
forth in subsection (a) of this section.

(a) Each licensee is subject to a periodic examination of the licensee’s business records
by the commissioner at the expense of the licensee. For the purpose of carrying out this article,
the commissioner may examine all books, records, papers, or other objects that the commissioner
determines are necessary for conducting a complete examination and may also examine under

this article, reasonable notice shall be given to the licensee and any authorized delegate before
any on-site examination visit. If a person required by the commissioner to submit to an
examination refuses to permit the examination or to answer any question authorized by this
article, the commissioner may suspend the person’s license until the examination is completed.

(b) The licensee shall bear the reasonable and necessary per diem and travel expense
cost of any on-site examination made pursuant to this section.

(c) A licensee shall notify the commissioner of any merger or acquisition which may result in a change of control or a change in principals of a licensee at least 60 days prior to the announcement or publication of the proposal, or its occurrence, whichever is earlier. Upon notice of these circumstances by a corporate licensee, the commissioner may require all information necessary to determine whether it results in a transfer or assignment of the license and thus if a new application is required in order for the company to continue doing business under this article. A licensee that is an entity other than a corporation shall in these circumstances submit a new application for licensure at the time of notice.

(d) The commissioner may direct that the reports required by this section and any other reports, data or information deemed necessary by the commissioner be filed directly with the Division of Financial Institutions on a date to be determined by the commissioner or through the Nationwide Mortgage Multistate Licensing System and Registry operated by the State Regulatory Registry, LLC.

(a) Reports of investigation and examination, together with related documents and financial information not normally available to the public that is submitted in confidence by a person regulated under this article, including, but not limited to, that person’s evaluation of the expected outcome of pending litigation, are confidential and may not be disclosed to the public
by the commissioner or employees of the Division of Banking Financial Institutions, and are not subject to the state's freedom of information act. The commissioner may release information if:

(b) Nothing in this section prevents release to the public of any list of licensees or aggregated financial data for the licensees, prevents disclosure of information the presiding officer considers relevant to the proper adjudication or administration of justice at public administrative or judicial hearings, or prevents disclosure of information relevant to supporting the issuance of any administrative or judicial order.

§32A-2-25. Hearing on suspension or revocation of license.

(a) A license may not be revoked or suspended except after notice and opportunity for hearing on that action. The commissioner may issue to a person licensed under this article an order to show cause why the license should not be revoked, or should not be suspended to revoke a license or to suspend a license for a period not in excess of six months. The order shall state the place for a hearing and set a time for the hearing that is no less than ten days from the date of the order provide notice of opportunity for a hearing and how the recipient may request such a hearing. The hearing shall be conducted in accordance with the provisions of §29A-5-1, et seq of this code. The commissioner may appoint a hearing examiner to preside at the hearing and make
a recommended decision. After the hearing the commissioner may revoke or suspend the license if he or she finds that:

(1) The licensee has knowingly or repeatedly violated this chapter or any rule or order lawfully made or issued pursuant to this article;

(2) The licensee has failed to remit its required renewal fees;

(3) Facts or conditions exist which would clearly have justified the commissioner in refusing to grant a license had these facts or conditions been known to exist at the time the application for the license was made;

(4) The licensee does not have available the net worth required by the provisions of section eight of this article, and after ten days' written notice from the commissioner, fails to take steps that the commissioner determines are necessary to remedy the deficiency; or

(b) No revocation or suspension of a license under this article is lawful unless prior to institution of proceedings by the commissioner notice is given to the licensee of the facts or conduct which warrant the intended action and the licensee is given an opportunity to show compliance with all lawful requirements for retention of the license.

(c) If the commissioner finds that probable cause for revocation of a license exists and that enforcement of this article to prevent imminent harm to public welfare requires immediate suspension of the license pending investigation, the commissioner may, after a hearing upon five days' written notice, enter an order suspending the license for not more than 30 days.

(d) Nothing in this section limits the authority of the commissioner to take action against a licensee or person under other sections of this article.

(e) Whenever the commissioner revokes or suspends a license, an order to that effect shall be entered and the commissioner shall forthwith notify the licensee of the revocation or suspension. Within five days after the entry of the order the commissioner shall mail by registered
or certified mail, or shall provide for personal delivery to the licensee, a copy of the order and the
findings supporting the order.

(f) Any person holding a license under this article may relinquish the license by notifying
the commissioner in writing of its relinquishment, but any relinquishment does not affect a
person's liability for acts previously committed.

(g) No revocation, suspension or relinquishment of a license impairs or affects the
obligation of any preexisting lawful contract between the licensee and any person.

(h) The commissioner may reinstate a license, terminate a suspension or grant a new
license to a person whose license has been revoked or suspended if no fact or condition then
exists which clearly would have justified the commissioner in refusing to grant a license.

NOTE: The purpose of this bill is to update the law related to money transmitters to align
West Virginia with the majority of states with respect to control of a licensee and key
individuals as well as net worth. The bill will also allow West Virginia to participate in and
accept multistate examinations as well as application information and decisions to reduce
regulatory burden on licensees.
